

## Guide for Visiting Yachtsman

Agamamenticus Yacht Club  
York Harbor, Maine

Welcome to York Harbor, Maine! Here is some information that you might find helpful when you are ashore.

### ***Yacht Club Dock Tie-Up***

If you are arriving by dinghy after 6pm, please tie up on the back (street) side of the docks – to the right as you look at shore - keeping the front of the dock open. Contact: AYC (207) 363-8510 [www.aycsail.org](http://www.aycsail.org)

### ***Moorings for the Night***

AYC unfortunately does not have guest mooring, but they are available through the Town of York and the Harbor Master. Anchoring is no longer allowed in York Harbor. The town has a few transient moorings, which are assigned and rented by the harbormaster (Ch. 09, 16).

The seasonal number at the Town Dock 2 Harbormaster offices is (207) 363-0433. The Town does not provide water, electrical services, trash or wastewater disposal, however, within York Harbor, there are multiple private entities that do provide such services

If you can't reach the harbormaster, York Harbor Marine (207) 363-3602 on Harris Island or Donnell's Marine (207) 363-4308) to the north may be able to help.

There is no wastewater disposal service provided in York Harbor. Please review the Maine Pump-out Station and No Discharge Area Guide issued by Maine Department of Environmental Protection here:

<http://www.maine.gov/dep/blwq/topic/vessel/pumpout/pumpoutguide.pdf>. You can schedule a pump-out at your mooring by contacting a pump-out boat out of Portsmouth, NH at 603-370-5130. This is a privately operated service.

### ***Live Lobsters***

*Off the Boat Lobsters* is probably your best bet for live or cooked lobsters. It is further up the York River near the Sewall Bridge and is accessible by boat or car. Phone: (207) 337-8885

### ***York Harbor Marine***

York Harbor Marine is located directly across the harbor from AYC. York Harbor Marine Service provides a fuel dock with unleaded gasoline and diesel ValvTect marine fuels, potable water, electricity, coin-operated laundry, showers and restrooms, as well as limited transient space during operating hours, which change seasonally (Monday-Saturday 8 AM to 4:30 PM, Sunday 9 AM to 4 PM, closed on Sundays after Labor Day). Contact: (207) 363-3602 [www.yorkharbormarine.com](http://www.yorkharbormarine.com) - 20 Harris Island Road York, ME 03909
